NEW! REVERSIBLE!

(L/R) Dual-Ear Mic Clip

Transforms your single ear microphone to a dual-ear mic in seconds.

- Converts to left or right ear wearing positions with a simple turn of the ear hook
- Ear hook folds flat for easy and secure storage
- Telescopic headband and boom extends to fit children or adult head sizes
- Ultra low profile design complements existing ear worn mics
- Feather weight for wearing comfort all day long
- Available in beige for the CO-7, CO-5 and CO-3 ear worn mics
