The CM-i headset with the CM-PTT-M1 gives you the freedom to seamlessly communicate with your teams on both intercom and radio. Get connected in three easy steps:

## Step 1

Connect the first XLR cable of the CM-PTT-M1 to your CM-i headset.

## Step 2

Connect the second XLR cable of the CM-PTT-M1 directly to your intercom pack.

## Step 3

Connect the 2-pin coiled cable to the Motorola M1 radio. (See available dapters for M4, M7 and M9 radios.)

Your comms system is active by default. To engage the radio, simply press and hold the push-to-talk button!
